From the Editor's Desk

District 16 News

Chairman: Patricia Perry / Editor: Norma Shannon

Hello to all in District 16

Well Ladies this is my last magazine from my substitute year, and I hope you have all survived COVID and managed to get your Vaccinations. All things considered my Editor's year has been quite eventful with all the Zoom meetings (of which I am not fond) but a necessity to keep in touch. Again Members have been doing their “bit” for the Communities around them and I hope you enjoy the reports from all the clubs.

As we have missed out on 2 conferences maybe next year we will all meet in Bournemouth in April 2022 and again in Blackpool in March 2023. As you may all

know by now our next International Inner Wheel Conference will be our Centenary in Manchester 2024, where it all started. This is my own City and in my view a lovely one. Like a lot of cities regeneration has been the key word over the last number of years. I hope you like me will be looking forward to attending this Centenary Convention.

Now for the time being please keep safe and I look forward to meeting you all again in the not too distant future.

Yours in friendship

Norma

District Chairman's Farewell

Dear Members of District 16,

What an interesting year it has been! Who could have envisaged that we have no Face to Face meetings at all during 2020/21?

As the year progressed and we realised how restricted we would be in terms of activities it would have been tempting to ask ourselves... 'How will Inner Wheel survive?' Yet, Inner Wheel members rose to the challenge and we have survived!

We found new ways to do our business and what a 'saviour' Zoom has been. As an organisation we have adapted remarkably well to the new technology and many Clubs have been able to continue to meet on a regular basis using this virtual forum. It is NOT the same as meeting Face to Face but it has allowed us to maintain friendships and communicate with each other. I think Inner Wheel should be proud of the way in which it has taken advantage of the new tools available. We have been able to hold all of our planned District meetings, each of which has been remarkably well attended. We have introduced the concept of 'Coffee Mornings'. Our first focused on International Inner Wheel and the second on the proposed i-Wheel. We have been able to have speakers along who could not, in normal circumstances, have been able to visit us. We have held

our inaugural Photography competition and we finished the year with our Virtual Silent Auction. My sincere thanks to my colleagues on the

Executive for all of their support and guidance throughout the year.

As we move forward and as the opportunity for Face to Face meetings returns over the next few months I hope we will be able to find ways in which we can continue to harness the new technology. We have proved that we are adaptable as an organisation and, hopefully, we will be able to widen our appeal through such virtual methods.

The virtual International Convention proved a huge success with District 16 well represented at an event which attracted over 4000 participants. So Internationally, at Association level and at District level we have emerged in good shape!

Our core ethos is based on Friendship and I appreciate that this has been very difficult for many members this year especially with the restrictions on movement and the

isolation requirements not to mention the fact that many members and their families have been directly affected by Covid 19. I hope, however, that our virtual get togethers and other forms of personal communication , such as Whatsapp, telephone calls, Newsletters, cards and letters have helped to maintain our spirits. I have to say that it has been encouraging to hear of the many ingenious ways Clubs have found to stay in touch. Our Club Presidents and their teams have provided remarkable leadership during this very challenging year.

At the start of my year I committed to undertaking my role in a way that would be respectful of the past, realistic about the present and optimistic about the future. Little did I realise , however, just how great a challenge it was going to be. As we have adapted, I hope we have remained true to our core ethos and have respected all that is good about Inner Wheel. We have certainly had to

be very realistic about the enormous challenges which the pandemic represented but we have addressed these in a way which has allowed us to continue to develop and flourish. So, despite the unique challenges, I come to the end of my year with an enormous sense of optimism about Inner Wheel. I look forward to continuing to play my part as we develop this very special organisation.

As I write this I look forward to our first Virtual District Rally. My thanks to each and every member for your continued involvement, for your support, for your enthusiasm and, most importantly, for your friendship. Undertaking the role of your District Chairman has been an honour and the greatest privilege of my life.

Yours in

Inner Wheel Friendship,

Patricia.

District Meeting November 2020 by ZOOM

District Chairman Patricia welcomed 15 Clubs to our ZOOM meeting and gave a warm welcome to Rotary District Governor Conny Oversen, a face to face meeting was not possible due to Government Guidelines.

At this time to IIW Conference was going ahead but concerns had been raised about travelling. A Virtual Conference was been discussed and looked into. Our Conference which was to be held in Blackpool in 2021 had been cancelled and it was hoped that the Conference for 2022 to be

held in Bournemouth, would go ahead.

All Executive Members gave their reports. Una Grant District International Service Officer reported that the British Government will match £1 for £1 donations made to Mary's Meal from November to January. This will help to feed 45,000 children in Liberia, it takes only £15.90 to fee a child for a year. The Chairman was unable to visit all Clubs personally but attended zoom meetings with most clubs where possible.

District Meeting March 2021 by ZOOM

District Chairman Patricia welcomed 14 clubs to the zoom meeting.

District Secretary Jennifer informed us that 21 members had registered for the IIW Convention which would be Virtual. Association informed us that the Bournemouth Conference would be from 4th to 6th April, 2022 and Blackpool 26th to 28th March 2023.

International Service Officer Una

announced that Mary's Meals was not supporting almost 2 million children in 19 countries and that's from a Shed, an army of Volunteers and people like our Inner Wheel Members. A number of clubs are making baby bundles.

District Chairman Patricia had visited 6 clubs since the last District Meeting, and had several zoom meetings with other Clubs. She also attended the Virtual Rotary District Conference.

“Lead the Change”

Report on 18th Convention of International Inner Wheel 17th – 18th April 2021

Friendship goes Digital

The 18th, and first virtual, Convention was held on 17th and 18th April 2021. The Convention was to be held in Jaipur, India but due to Covid-19 it was decided to go digital. 4300 delegates from over 65 countries registered to attend, including 21 members from District 16. In addition to the business side of the event, we were also treated to a couple of virtual days experiencing the wonders of India and what it has to offer the tourist.

The Convention opened with the usual lighting of the candle, presentation of Directors/Executive, the colourful flag parade and presentation of past International Inner Wheel Presidents. This was followed by a welcome address from International Inner Wheel President Dr Bina Vyas in which she focussed much on her theme for the year Lead the Change. During the course of the 2 days there were several keynote speakers/ presentations including global business leader Vinita Bali speaking on Change, presentations on International Covid Fund and Lebanon’s success story.

During the business sessions of the Convention, we heard reports from past and current IIW Presidents, Treasurer and Editor. Voting took place

on the 14 proposals to amend the International Constitution and general motions, with a new IIW Constitution and Handbook to be issued later in the year to reflect the changes.

Entertainment was provided in various forms via the India Experience Zones:

Mesmerizing virtual tours of Jaipur, Agra (with Taj Mahal), Mumbai and Delhi

Rejuvenating yoga sessions

Exciting Indian cooking lessons

Engaging Bollywood dance classes

Impressive saree draping demonstrations

Fascinating dance performances from across the globe

There was also an opportunity to view the various Service Projects from around the world, including a video by

Immediate Past President Ann Acaster on the GB&I projects, Riding for Disabled, Medical Aid Films/Butterfly Tree, Period Poverty, Glad Bags and Scrubs/Face masks for NHS.

During the closing ceremony the Social Project for 2021-24 was announced – Strong Women, Stronger World – more information about this later in the year.

GB&I were also delighted to hear that the next International Inner Wheel

Convention in 2024 will be held in Manchester, where Inner Wheel first started in 1924.

Congratulations to Dr Bina Vyas and the Convention Committee for providing us with a truly successful and engaging digital experience during lockdown!

Jeanette Sproule

Member of Council District 16

2021 has been a year like no other in the life of this club.

Faced with the turmoil of the Covid pandemic, President Cerise's got to grips with the problem of meetings and organised contact by ZOOM, not only for our monthly meetings but on a weekly basis as well to keep in touch with the members without risk. These lasted 30/40 minutes except for our monthly one which lasted 80.

In September we celebrated Club Secretary Judy's 80th birthday. We were invited to a surprise party organised by her family - the weather was beautiful and everything was set up safely outside. Afternoon tea was served ending up with toasting Judy with champagne.

We had to find new ways to fundraise and so members baked, made jams and chutneys to sell to other members. Cannula sleeves and pencil cases were knitted and lovely bookmarks made. President Cerise's arranged a raffle and painted two lovely pictures as prizes.

In November, members laid a wreath at the War Memorial. Walks were organised when we could do it safely for exercise and togetherness. A few

weeks before Christmas we made up Christmas gift bags for some members who had not been able to participate in walks or join us on ZOOM.

Shortly we are having a Virtual Silent Auction in support of Special Olympics Ireland and IW charities, organised by District Chair Patricia. Auction items have been generously donated by businesses over a wide area both North and South, from Donegal and even as far away as Cork City.

Our Inner Wheel year will need with the District Rally hosted on ZOOM by Patricia on Friday 4th June and we hope to see as many of you there as possible.

Joan Leemon

Club Correspondent

As the majority of the members of Ballymoney Inner Wheel do not want to meet online, this has been a quiet year. We have kept in touch via email and our Secretary, Liz, has kept us all up to date with messages from District.

President Doreen encouraged us to raise money individually in October and we were able to present cheques from our Charity funds to Ballymoney Food Bank and to Causeway Woman's Aid (our President's chosen charity). We are glad we were able to do something to help two groups which have given such vital support to local families during the past year.

When presenting these cheques, President Doreen took the opportunity to tell readers of the local papers about the history and wider charitable work of Inner Wheel and to remind them that Ballymoney Club is always ready to welcome new members.

We are all very proud of Ballymoney Inner Wheel member, Sue Pinkerton, who was recently appointed High Sheriff of County Antrim. Her new duties include

attending a High Court Judge, if one sits at the County Court, attending various social and ceremonial functions, presenting a Grand Jury bursary to QUB law graduates and greeting visiting Heads of State and members of the Royal family. Sue and her husband John have also made history as the first married couple to both have held this post.

As the current lock down begins to ease again, we continue to hope that we will be able to meet together to celebrate with Sue and to enjoy each other's company. We send best wishes to all Inner Wheel members who are similarly waiting for better days ahead.

Stay safe.

At Ballymoney Foodbank a cheque presentation for £300 by Inner Wheel President Doreen Armstrong along with Sarah Browne Treasurer and Liz Dempsey Secretary to Walter McCallum Co Director of the Ballymoney Foodbank. WK47KC01BM

How did President Paddy keep 37 members interested and engaged during lockdown?

To start with a Club WhatsApp group was created so information, jokes and craic could flow freely. Next our Club Directory was reprinted updating phone numbers and addresses making it easier to keep in touch. Secretary Beryl started a monthly Newsletter which she emailed to everyone so they knew what was happening in I.W. This way members knew about the International zoom meeting, the Coffee Morning and the Virtual Silent Auction. Members who attended enjoyed the meetings as well as seeing friends and saying hello. The Newsletter also includes committee decisions and news of birthdays and members health etc. Maybe a joke or two and always ended with a few words of encouragement eg “always be a little kinder than necessary.” (my particular favourite.)

Zoom committee meetings worked

well too and members were asked to make a donation towards our usual charities as we were unable to hold any functions. Members were very generous and a total of £3,850 was shared between N.I. Air Ambulance, Special Olympics, Salvation Army, St. Vincent De Paul, Mary’s Meals and the Lebanon Disaster.

All being well we hope to be meeting up in September face to face. Belfast Club will be , or should be, celebrating its 90 birthday this year and that certainly warrants a party! Unfortunately, festivities will have to wait but invitations plus a history of the Belfast Club are a work in progress. Watch this space.

We are thrilled to have a President and Vice President for next year, Patricia Donnelly and Sheelagh Brown respectively.

Our A.G.M. for the first time will be a Zoom and will be interesting with a lot of chat.

Inner Wheel Club of Belfast West

Club Correspondent:
Maeve Gray

Belfast West IW Club quite a few of our members have had some difficulties during this time. However due to the good offices of President Irene and Hon. Sec. Muriel, the club has kept going, followed guidelines and honoured our commitments.

Items were donated for the Auction and some bids were made. I don't

think anyone's bid was successful but someone else's was. Photographs were sent to the competition and we donated (rather than raised) money for IW charities.

I want to say a very big thank you to Muriel Singleton for keeping us all in touch with Inner Wheel and each other.

Inner Wheel Club of Carrickfergus

Club Correspondent:
Anne Marie Luney

The pandemic has taken its toll on everyone, and our club is no different from any other.

We had a few zoom meetings and a few socially distanced walks and brought our own coffee and drinks with us. We did manage two lunches, October and December.

We eagerly look forward to some normality in September when we can once again have our own monthly meeting.

Inner Wheel Club of Dublin is this year celebrating the 50th Anniversary of our Charter which took place on 24th April, 1971. Our founder President was Mrs. Christine Hughes and District Chairman was Mrs. D.L. Watson, in those days ladies used their husbands name or initials, Christine was Mrs. Felix Hughes, on Charter Dinner Menu but Christine when I joined the Club. Times had changed...!!!

We are delighted to report that two founder members are still active in the Club. Barbara King whose late husband Alan was our Charter President. Alan at the time was President of the Rotary Club of Dublin, He was with us for our 40th Anniversary celebrations. Sheila Woods, also a founder member, who is one of our very regular Book Club readers, and a regular attendee at our monthly meetings.

In spite of Lock Down Inner Wheel Club of Dublin have been very active with some wonderful speakers for most of our meetings thanks to Zoom in which we have all found a Lifeline. We have 40 members and most were able to attend meetings. We had a wide variety of speakers for Club meetings and also for our Book Club Annual. On this occasion we had the author of The Glorious Guinness Girls, Emily Hourichan, speak

Many of us took up new Hobbies such as Needlepoint, online Bridge, Chess, ,Reading, moved from Floral Art to

Watercolours, Jigsaws, Sculpture and Oil Painting, and of course Gardening was the big lifesaver for a lot of us. Many walked much more than they ever did which was good for the figure we hope. One or two had the odd game of Golf when courses were open. The hardest part of all the lockdown was missing family.

Our Club sadly lost three of our members, Marita Widmer, Mary Parnes and Eileen Jennings RIP.

We were so lucky with our Speakers. District Chairman Patricia who got us off to a great start with an inspiring talk on her life in Inner Wheel. Ann Galineau McLoughlin on” A French Nationals experience of living in Ireland” which was fascinating.

Shabnam Vashist , an Indian Artist and writer, living in Ireland for many years, who was commissioned by Dunlaoghaire Library to research and write a book “Digging up the Raj” on South Dublin and Wicklow natives who had served as officers in the Indian Raj and their family connections who are buried in Deansgrange Cemetery in South Dublin.

Patricia Friel gave us a wonderful insight into the work of Marys Meals

Niall Hatch of Birdwatch Ireland encouraged us to take a greater interest in watching the beautiful birds and animals that visit our gardens and how to encourage them and to feed

“Lead the Change”

them correctly, and best location in the garden to view them.

Sinead Buckley Quinn took us on a Zoom tour of the Irish Design Gallery in Dunlaoghaire, which has a lovely collection of Art and practical Art pieces for sale.

Illustrated talk on” Dublin in the Rare Old Times” which was fascinating for non Dubliners and brought back memories for Dubliners.

Inner Wheel Club of Enniskillen

Club Correspondent:
Rosemary Tisdall

Our President Fiona McBride along with Secretary Betty Frazer and Treasurer Freda Birrell have worked very hard to keep our club functioning during these difficult times. We have a WhatsApp group which is a great way of keeping lines of communication open and is great fun.

Meetings have been organized using Zoom. We have had a Zoom Quiz and in March 21 Fiona had a crafting session called “Napkin Folding with an Easter Theme”.

In January Fiona Keenan, Secretary, and Head Coach Trisha Griffin from the local branch of Special Olympics were our speakers. We donated £100 to this charity.

One Meeting was a book club evening where after reading “The Foundling” by Stacey Halls we had an interesting discussion!

District Chairman Patricia Perry joined us in April.

Other donations to charities included £1000 to R.D.A. £100 to CLIC Sargent and £100 to Cancer Research

Congratulations to Helen Chambers who won the District16 Photographic Competition.

Our Meeting in September was at The Curran Court Hotel Larne – First live meeting due to Covid Restrictions

Tropic Skin Care evening organised by President Joanne Liddle donations to local charities. £200.00.

Unfortunately October and November were Zoom meetings.

Our December meeting would have been our Christmas Meal get together but like everyone else it was cancelled.

Zoom meetings were held in February and March and in April some ladies attended the coffee morning., the speaker was Sarah Keegan

We were pleased to have our District Chairman Patricia attend our April meeting albeit by Zoom.

Once again our Meeting in May was held by Zoom but 7 ladies met to put together the Baby Bundles, these were then given to Past District Governor William Cross to take to Ballymena .

District Chairman Patricia held a Photo Competition – Larne Member Mrs Anne Bennett one of the winners.

June 2021 AGM: 17 Ladies attended our AGM held in the Curran Court, Larne it was lovely to be able to meet everyone in person and catch up on the year.

Joanne handed over the chain of office to Theodora Cross (Tedi)

Tedi gave a brief outline of her year and introduced her team.

Larne Club Ladies putting together Baby Bundles all 44 of them

Inner Wheel Club of Londonderry

Club Correspondent:
Maureen Dunseath

The Londonderry club have been very active this past year despite the difficulties posed by lockdown measures. President Elaine Doherty took the Zoom bull by the horns and we have had a monthly coffee morning as well as our monthly evening meetings. We have had a great variety of speakers over the months and they have been very generous with their time. January's meeting gave us further insight into the work done by "Mary's Meals" one of our chosen charities. In February Tony Connolly RTE European editor gave us insight into covering Brexit news from Brussels as well as telling us of his adventures in other parts of the world. Our District Chairperson spent the evening of the March meeting with us. Our last meeting was a lovely catch up conversation between members when everyone just chatted about everything

except Covid!

Our coffee mornings have been a pleasure and wonderfully participative. We have Aoife Doherty from Sass and Halo in the Craft Village in Derry show us how she makes beautiful floral bridal crowns as well as floral wreaths and displays. We had Rosalind McCracken an independent beauty therapy consultant demonstrate hand massage techniques and talk about organic skin products. It was "quare craic" all of us on Zoom massaging our hands. Rosalind very generously gave us samples of "Neal's Yard" products for the massage. President Elaine arranged for them to be hand delivered to each member before the meeting. Our last coffee morning was an information session delivered by consultant Jacquie Loughrey- "Reduce

“Lead the Change”

your Risk Programme”Education and Awareness of toxic chemicals in every day life, particularly endocrine disrupting chemicals which may increase the risk of cancer. This was a real eye opener for us.

Fund raising continues with £1100 raised at an Easter raffle of a beautiful quilt made and generously donated by Majella Magee. Talented amateur gardening member Myrtle Buchanan propagated and potted two hundred plants which she sold from her front garden to raise money for Altheimzers Society. Talented green fingers

members Daphne McCartney and Nonie O’Sullivan also contributed plants. The sale raised £1800. Well done Ladies.

In January we started a monthly Newsletter for our club which has film and book reviews, recipes , stories from members and photographs of times past.

All in all we have discovered a participation and vitality thanks to Zoom and the energy and ingenuity of President Elaine.

Inner Wheel Club of Lurgan

Club Correspondent:
Rachel Gregg

Greetings from Lurgan Inner Wheel Club.

This time last year we were bemoaning the fact that our Club activities had been curtailed for the latter half of the year, but were fairly confident that “Normal service would be resumed as soon as possible”.

Alas, one year on, that is not the case and we are still operating under Lockdown rules.

Personal circumstances have dictated that all our meetings have been conducted via Zoom so all credit to our members who have embraced new aspects of technology to facilitate this. However, it has to be acknowledged that Zoom meetings are not to everyone’s liking so participation for some has been somewhat restricted.

Club President Grainne has worked tirelessly to keep in touch with all of us, using WhatsApp to good effect, to encourage and “chivvy” us along.

Our focus throughout the year has been on Service and we were blessed to have excellent speakers.

Una Grant gave a very informative talk on the various Inner Wheel initiatives whilst Roisin McVeigh from Armagh explained the logistics of organising the Mary’s Meals project.

Laura Wylie spoke passionately about the counselling work carried out locally by Links and Andrew Dunlop, Manager of the Jethro Centre, outlined its many and varied activities to support the local community; the local community in this instance embracing different ethnic groups and cross-community outreach.

“Lead the Change”

Joint meetings with Lurgan Rotarians have added richness and diversity to our meetings. Our December meeting with them included a Christmas Quiz and Carols and Christmas music. We quickly learnt that trying to sing in unison over Zoom was not a good idea. Once muted we could sing our hearts out with only the accompanist being unmuted! At our annual joint meeting with Rotary in March, to coincide with International Women’s Day, we heard from Janet Warwick from Ceara School in Lurgan and Laura Polaine who is a consultant in international resource development.

We are very grateful to all those who

have continued to work throughout this pandemic; in many cases jeopardising their own health and that of their families for the greater good.

We acknowledge the difficulties encountered at District, National and International levels and appreciate the tremendous efforts being made on our behalf to keep the (Inner) wheels working.

We look forward with confidence to September when we hope to rekindle friendships, welcome back those of our members currently on Sabbatical and would be thrilled to welcome new members.

On May 5 2021 two cheques were presented to local charities.

Margaret Mitchell, our club treasurer presented a cheque to Claire McStay of Omagh Spires Special Olympics Club. Special Olympics being, the chosen charity of the chairman of District 16, Patricia Perry.

Monies raised came from an Easter Hamper made by Janet Howard our

club secretary.

A second cheque was presented to Gwen Garrett of Omagh Riding For The Disabled.

The monies raised came from a quiz compiled by club member, Mavis Jardine. The club was delighted to support the chosen charity of our Association President, Enid Law.

Katharine Wilson presents cheque to Gwen Garrett of Omagh Riding For The Disabled and Margaret Mitchell presents a cheque to Claire McStay Omagh Spires Special Olympics Club.

Inner Wheel Club of Portadown

Club Correspondent:
Madeleine Powell

Portadown IW Club has like all other clubs this year has had to adapt to new ways of keeping in touch with its members. We have organised a few zoom meetings, set up a Whats App group and kept members up to date with plenty of emails. For the two members in our group who do not have access to the internet we send them postal copies of emails.

To raise money for our charities members are giving donations to various events undertaken by club members.

One such event was the 15 k Stairway to Heaven Walk which I did this month (photo attached). Our treasurer Bertha is planning a 10k walk in Loughgall Park next week and our International Officer, Barbara plans to hold a number of garden parties (socially distanced of course) when numbers permit.

It has been a hard year, especially with the sad death of two of our members but we plan to remember them with donations to suitable charities.

MIRRORS

*I look in the mirror and what do I see
A strange looking person who cannot be me
For I am much younger not nearly so old
As the face in the mirror I am looking at
Oh! For the mirrors I used to know
30 – 40 – 50 years ago
But all things change and I'm sure you agree
Mirrors are not as good as they used to be??*

The hammer has come down and our Virtual Silent Auction is now closed! Sarah was very excited whenever it came to midnight! Active bidding right up until Friday evening.
